

Emanuel Szumer

Staff Liaison

Born and raised in Sydney, Emanuel graduated from UNSW in Industrial Engineering. Throughout his high school and university years he was active in community organisations and specifically in youth leadership and youth leadership training.

Emanuel has worked for over 30 years in various manufacturing industries both in Australia and abroad. He has held positions in roles such as Production Engineer, Chief Technical Officer, and Business Manager and has sat on the Management Committee and Board of Directors of various manufacturing concerns.

Emanuel has been active with Courage to Care since mid-2016, and brings a wealth of managerial experience and strategic planning experience to the organisation.
