Weiss guys

Speaking of Weiss, he will be one of the guests of honour at the Courage to Care charity dinner this week which is being themed the Legends of Australian Business dinner.

Weiss will chow down alongside the highly networked ANZ chairman, **David Gonski**, and his replacement in the chair at Coca Cola Amatil, **Ilana Atlas**.

It is not clear whether her hubby, **Tony D'Aloisio** – the former ASIC boss and current Perpetual chairman – won't make it, or, was not considered legendary enough to be a guest of honour.
