### **Volunteer Guide**

I live in Brisbane with my husband and two children. I was born in South Africa and my heritage is from Eastern Europe, England and South Africa.

I am a practice manager of two allied health clinics and am a guide at the Queensland Art Gallery.

I heard about Courage to Care through the Jewish Community in Brisbane, and am so pleased to participate in a programme that shares values of acceptance and tolerance in our community, and to play an active role in combatting racism and bullying.

It is a privilege to share the stories of those that have endured so much, and those that have selflessly done so much.
